ORIGINAL

HEARING OFFICER ORDER

On October 14, 2010, all parties participated in a telephonic status conference with the hearing officer. The parties stated that they will discuss possibilities for settlement without the necessity of a hearing prior to the next telephonic status conference. The question arose regarding the enforcement of Board orders during the conference call. To that end, the parties are directed to see Section 103.600 of the Board's procedural rules.

The parties were advised to visit the Board's website, www.ipcb.state.il.us, to research stipulations and proposals for settlement in other similar citizen enforcement cases.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on November 18, 2010, at 12:00 p.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
