**HEARING OFFICER ORDER**

On September 2, 2010, the Board accepted for hearing a proposal for statewide general rulemaking filed on August 19, 2010, by the Illinois Environmental Protection Agency (Agency). The proposal seeks to amend the Board's air rules pursuant to the general rulemaking provisions of Sections 10, 27 and 28 of the Illinois Environmental Protection Act (415 ILCS 5/10, 27 and 28 (2008)) and the Board's procedural rules at 35 Ill. Adm. Code 102.202(b). The Agency states that the proposed amendments would sunset the trading provisions of the Nitrogen Oxide SIP Call Trading Program. The sole provisions to be amended involve the holding and trading provisions in Part 217.Subpart U, codified at 35 Ill. Adm. Code Part 217.Subpart U.

Today's order sets the dates for the hearing and the prefiling deadlines. Testimony for the December 9, 2010 hearing must be prefiled by November 29, 2010. All testimony will be taken as if read and we will proceed with questions immediately.

All filings in this proceeding will be available on the Board's web page at [www.ipcb.state.il.us](http://www.ipcb.state.il.us) and participants may file electronically on the Board's web page. All filings must be served on the persons on the service list.
