ORDER OF THE BOARD (by T.E. Johnson):

On November 18, 2010, Peacock Oil Company (Peacock) filed a motion to voluntarily dismiss this underground storage tank (UST) appeal (Mot.), which concerns Peacock's leaking UST site located at 6900 North Mannheim Road in Rosemont, Cook County. Peacock's July 6, 2009 amended petition (Am. Pet.) had sought Board review of the Illinois Environmental Protection Agency's April 22, 2009 determination "denying Peacock's High Priority Corrective Action Completion Report because the Agency determined that the Highway Authority Agreement included as part of the closure requirements was unacceptable." Am. Pet. at 1. According to Peacock's motion for voluntary dismissal, "the parties have resolved the subject matter of the Petition for Review." Mot. at 1. The Board grants the motion, dismisses this case, and closes the docket.

IT IS SO ORDERED.

I, John Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on December 2, 2010, by a vote of 5-0.
