**HEARING OFFICER ORDER**

A telephonic status conference was scheduled for January 20, 2011. While both parties called in to the hearing officer, the calls from the respective parties were at different times and a conference by all was unsuccessful. At the next telephonic status conference noted below, discovery will be discussed if needed and a hearing date will be set.

The parties are reminded to be available for the next telephonic status conference at the designated time.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on February 3, 2011, at 12:00 p.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
