(LUST Appeal – Ninety Day Extension)

**REQUEST FOR NINETY DAY EXTENSION
OF APPEAL PERIOD**

ORIGINAL

NOW COMES the Respondent, the Illinois Environmental Protection Agency (“Illinois EPA”), by one of its attorneys, Melanie A. Jarvis, Assistant Counsel, and, pursuant to Section 40(a)(1) of the Illinois Environmental Protection Act (415 ILCS 5/40(a)(1)) and 35 Ill. Adm. Code 105.208, hereby requests that the Illinois Pollution Control Board (“Board”) grant an extension of the thirty-five (35) day period for petitioning for a hearing to July 11, 2011, or any other date not more than a total of one hundred twenty-five (125) days from the date of service of the Illinois EPA’s final decision. In support thereof, the Illinois EPA respectfully states as follows:

1. On March 30, 2011, the Petitioner made a written request to the Illinois EPA for an extension of time by which to file a petition for review, asking the Illinois EPA join in requesting that the Board extend the thirty-five day period for filing a petition to ninety days. The request states that the appeal must be filed no later than April 11, 2011.

2. This appeal is from one of two Illinois EPA decisions dated March 3, 2011 with a queue date of January 5, 2010.

3. The additional time requested by the parties may eliminate the need for a hearing in this matter or, in the alternative, allow the parties to identify issues and limit the scope of any hearing that may be necessary to resolve this matter.

WHEREFORE, for the reasons stated above, the parties request that the Board, in the interest of administrative and judicial economy, grant this request for a ninety-day extension of the thirty-five day period for petitioning for a hearing.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,
Respondent

Dear Mr. Frary:

The Agency has completed the review of the request for reimbursement of corrective action costs from the Illinois Underground Storage Tank Fund for the above-referenced facility. The invoices reviewed covered the period from August 25, 2008 to September 27, 2009. The amount requested was \$113,244.35.

On January 5, 2010, the Agency received your complete application for payment for this claim. As a result of the Agency's review of this application for payment, a voucher cannot be prepared for submission to the Comptroller's office for payment. Subsequent applications for payment that have been/are submitted will be processed based upon the date subsequent application for payment requests are received by the Agency. This constitutes the Agency's final action with regard to the above application(s) for payment.

The deductible amount for this claim is \$10,000.00, which was previously deducted from the Invoice Voucher dated November 30, 2001. Listed in Attachment A are the costs which are not being paid and the reasons these costs are not being paid.

An underground storage tank owner or operator may appeal this final decision to the Illinois Pollution Control Board (Board) pursuant to Section 22.18b(g) and Section 40 of the Act by filing a petition for a hearing within 35 days after the date of issuance of the final decision. However, the 35-day period may be extended for a period of time not to exceed 90 days by written notice from the owner or operator and the Illinois EPA within the initial 35-day appeal period. If the owner or operator wishes to receive a 90-day extension, a written request that

Item # Description of Deductions

1. \$113,244.35, deduction for an adjustment in costs due to a lack of supporting documentation (Section 22.18b(d)(4)(C) of the Environmental Protection Act).

Pursuant to Section 22.18b and Section 57.8 of the Act if an owner or operator is eligible to access the Underground Storage Tank Fund pursuant to an Office of the State Fire Marshal eligibility/deductible final determination letter issued in accordance with Section 57.9 of the Act, an application for payment may be submitted to the Illinois EPA. A complete application for payment must contain a copy of the OSFM eligibility and deductibility determination. An eligibility and deductibility determination for last incident number 913428 was issued to Texaco Refining and Marketing, Inc. not Chevron Environmental Management Company for which payment has been requested.

In addition, Chevron Environmental Management Company does not meet the definition of Owner or Operator in Section 57.2 or 22.(c)(1)(B) of the Act therefore, all costs incurred regarding this incident are not eligible for reimbursement from the Fund to Chevron Environmental Management Company.

All claims submitted for payment must have a Request for Taxpayer Identification Number and Certification (IRS form W-9) dated October 2007 or newer. You can obtain a blank W-9 from the United States Department of the Treasury, Internal Revenue Service or at their website: <http://www.irs.gov/pub/irs-pdf/fw9.pdf> .
