PCB No. 11-63
(UST Appeal)

MOTION TO FILE REDUCED NUMBER OF ADMINISTRATIVE RECORD COPIES

The ILLINOIS ENVIRONMENTAL PROTECTION AGENCY (Illinois EPA), by one of its attorneys. William D. Ingersoll, Special Assistant Attorney General, and pursuant to 35 Ill. Adm. Code 101.500 and 101.302(h), hereby requests that the Pollution Control Board (Board) allow the Illinois EPA to file one original, one duplicate copy and one electronic copy (pdf) of the Administrative Record in this matter. In support of this motion, the Illinois EPA states as follows:

1. Board regulations require that a signed original and four duplicate copies of the Administrative Record be filed in matters such as this one. 35 Ill. Adm. Code 101.302(h).
2. The Administrative Record in this matter consists of 836 pages. The Illinois EPA has also prepared electronic copies of the Administrative Record on computer disks. Petitioner's counsel has informed this counsel that he does not object to receiving his copy in electronic format.
3. Due to the length of the Administrative Record in this matter and that electronic copies can provide easier access to the documents and pages within the Record, the Illinois EPA

requests that it be required to file only the original and one paper copy of the Administrative Record along with an electronic copy on computer disk.

Respectfully submitted,

A handwritten signature in blue ink, reading "William D. Ingersoll", is written over a horizontal blue line.
