On April 21, 2011, a telephonic status conference was held. The parties stated that they have reached a settlement and are at present drafting a stipulation and proposal for settlement (stipulation). To that end, discovery schedules will be revisited at the next status conference if needed.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on June 23, 2011, at 10:00 a.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
