ORDER OF THE BOARD (by J. Marlin)

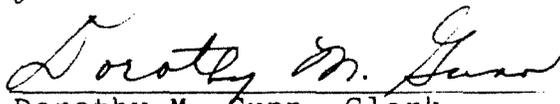

This matter comes before the Board on a Petition for Variance filed by Turnberry Utilities, Inc. (Turnberry) on May 16, 1988.

On May 11, 1988, McIntosh, Ltd, filed an Amended Petition which joined Turnberry as a Respondent in PCB 88-81. That proceeding involves a variance request concerning the same fluoride standard involved in this matter. Since both this matter and PCB 88-81 are variances which deal with the same issue, the Board is inclined to consolidate these two dockets.

Turnberry and the Illinois Environmental Protection Agency are instructed to file statements, by May 31, 1988, which address the issue of whether it would be appropriate for the Board to consolidate this proceeding with PCB 88-81. A similar Order in PCB 88-81 has also been issued.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 19<sup>th</sup> day of May, 1988 by a vote of 7-0.
