Opinion & Order of the Board (by Mr. Currie):

This variance petition sought relief from an Agency-imposed limitation on connections to municipal sewers in the City of Minonk. The petitioners now advise us they wish to withdraw the petition after discussions, presumably with the Agency, persuaded them that an alternative remedy should be pursued. The motion to dismiss is hereby granted and the petition dismissed without prejudice.

I, Christan Moffett, Clerk of the Pollution Control Board, certify that the Board adopted the above Opinion & Order this 8th day of November, 1972, by a vote of 5-0.
