HEARING OFFICER ORDER

On July 5, 2011, all parties participated in a telephonic status conference. Discussions centered on the Joint Motion for Extension of Time filed on July 1, 2011. The parties request that respondent Illinois Environmental Protection Agency (Agency) filing of its recommendation be extended to July 15, 2011. The parties further request that petitioner's response to the Agency's recommendation be extended to July 25, 2011. The parties represent that the additional time is needed to discuss issues raised in the petitioner's petition. Motion at 2.

A hearing in this matter has been scheduled and noticed for August 4, 2011. On June 30, 2011, a briefing schedule was set for any pre-hearing motions in this matter, with any responses to pre-hearing motions due July 21, 2011. Due to the fast approaching hearing and the extension the parties have sought in filing the recommendation, it was agreed by both the petitioner and the Agency that they will waive their opportunity to file their respective pre-hearing motions. The parties were informed that any pre-hearing motions would not be accepted.

To that end, the motion is granted and the Agency's recommendation is now due to be filed on or before July 15, 2011. Petitioner's response is due to be filed on or before July 25, 2011.

The parties or their legal representatives are directed to appear at a telephonic pre-hearing conference with the hearing officer on July 21, 2011, at 9:00 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
