SUBPART TT)

**FOURTH MOTION FOR EXTENSION OF TIME IN WHICH TO FILE
AGENCY'S RECOMMENDATION OF THE PETITION FOR ADJUSTED STANDARD**

NOW COMES Respondent, ILLINOIS ENVIRONMENTAL PROTECTION AGENCY ("Illinois EPA"), by its attorney, Charles E. Matoesian, and pursuant to Section 101.522 of the Illinois Pollution Control Board rules moves that the Hearing Officer extend the time for the Illinois EPA to file the recommendation on the petition for adjusted standard in the above captioned matter to August 15, 2011. In support of its Motion, the Illinois EPA states as follows:

1. On January 27, 2011, Illinois EPA received a Petition for Adjusted Standard filed on behalf of Greif Packaging, LLC ("Greif").
2. Under 35 Ill. Adm. Code 104.416, Illinois EPA must file with the Board the recommendation of the Agency on the petition for adjusted standard within 45 days of notice of the petition.
3. Illinois EPA previously requested an extension to April 11, 2011, as the Illinois EPA is in discussions with Greif about the terms of the Petition.
4. Illinois EPA previously requested an extension to May 11, 2011, as the Illinois EPA is in discussions with Greif about the terms of the Petition.
5. Illinois EPA previously requested an extension to June 13, 2011, as the Illinois EPA is in discussions with Greif about the terms of the Petition.

6. On May 31, 2011, Greif filed an Amended Petition for an Adjusted Standard. This extended the Illinois EPAs filing date to July 15, 2011.

7. As the Illinois EPA is still discussing the petition with the Petitioner, the Illinois EPA requests another extension to August 15, 2011, for filing its response to the petition.

6. During a telephone conversation on July 7, 2011, the attorney representing Petitioner agreed to this extension.

WHEREFORE, for the reasons set forth above, the Illinois EPA respectfully requests that the Board grant an extension until August 15, 2011, for the Illinois EPA to file its recommendation of the petition for adjusted standard.

Respectfully submitted,
**ILLINOIS ENVIRONMENTAL
PROTECTION AGENCY**
