HEARING OFFICER ORDER

On July 28, 2011, all parties participated in a telephonic status conference with the hearing officer. The parties have been in settlement discussions but the respondent represented that it appears there will be not any final settlement offer from the complainant in the near future, only an interim one, due to the extent and origin, either known or unknown, of the alleged contamination on site. To that end, the respondent's answer or other pleadings is now due to be filed on or before September 21, 2011. The complainant did not object.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on September 29, 2011, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
