HEARING OFFICER ORDER

On October 20, 2011, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that it appears the parties have reached a settlement and that the respondent is presently reviewing a draft stipulation and proposal for settlement (stipulation).

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on January 5, 2012, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
