Based upon a review of the petition, we find that it does not contain the information required by 35 Ill. Adm. Code 106.705(f). In pertinent part this rule requires Petitioner to provide the following information:

The Board notes that the Agency included language for the proposed adjusted standard at page 5 of its response. That notwithstanding, the Petitioner is directed to file all the information necessary to satisfy the information required pursuant to Section 106.705(f), no later than April 17, 1997.

IT IS SO ORDERED.
