MOTION TO EXTEND TIME TO PUBLISH NOTICE

NOW COMES the Respondent, ILLINOIS ENVIRONMENTAL PROTECTION AGENCY ("Illinois EPA"), by one of its attorneys, Sara Terranova, and moves the Illinois Pollution Control Board (the "Board") to extend the time that the Illinois EPA has to publish notice of the instant variance petition. In support of this motion, the Illinois EPA states as follows:

1. On December 20, 2011, CITGO Petroleum and PDV Midwest Refining, L.L.C. ("Petitioners") filed a petition for extension of its variance from 35 Ill. Adm. Code 302.208(g) and 302.407, for Total Dissolved Solids ("TDS").
2. The Division of Legal Counsel received a copy of the instant petition on December 23, 2011, addressed to Interim Director, John J. Kim.
3. Due to the holiday's, the undersigned attorney was not assigned to this case until January

3, 2012.

4. Pursuant to 35 Ill. Adm. Code 104.140(b), the Illinois EPA was unable to have the public notice published within the required fourteen (14) days after the filing of the instant petition.
5. Because the undersigned was just recently assigned to this case, the attorney needs sufficient time to get acquainted with the subject matter of Petitioners' petition.
6. Petitioners will suffer no prejudice should the Illinois EPA be granted an extension of thirty (30) days time to publish notice of the instant petition.

WHEREFORE, the Illinois EPA requests a thirty (30) day extension to publish notice of the instant petition.
