HEARING OFFICER ORDER

On January 19, 2012, a telephonic status conference was held. The complainant stated that it and the Village of Hinsdale (Hinsdale) are moving forward with the objective of reducing wet weather flows into the 55th Street interceptor but that a meeting is planned with the local school district that will also address costs and responsibility of payments. The complainant also stated that it still intends to file a motion to dismiss the Illinois Department of Transportation.

Also discussed at the conference were the respective motions of DuPage County and Hinsdale for extensions of time to complete discovery. The motions were granted and the discovery cut-off date is now April 27, 2012.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 13, 2012, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. The complainant represented that it will notify the parties and the hearing officer of a call-in number prior to the next telephonic status conference. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
