HEARING OFFICER ORDER

On January 26, 2012, all parties participated in a telephonic status conference with the hearing officer. The parties stated that it appears they have reached a settlement and that complainant will be drafting a stipulation and proposal for settlement (stipulation) for review. By agreement, respondent's answer is now due to be filed on or before April 13, 2012.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on March 29, 2012, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
