ORDER OF THE BOARD (by T. A. Holbrook):

On March 2, 2011, Bunge-SCF Grain, LLC (petitioner) timely filed a petition for review of the construction permit issued to petitioner by the Illinois Environmental Agency (Agency) on January 27, 2011. The permit was for petitioner's proposed construction of a new grain and dry bulk commodity river terminal located at 651 North Front Street, Fairmont City, St. Clair County.

On February 10, 2012, petitioner filed a motion to voluntarily dismiss the permit appeal. In the motion, petitioner states that on January 26, 2012, the Agency issued a revised construction permit to the petitioner. Mot. at 2. The issuance of this revised permit addresses the concerns petitioner had with regard to the original permit issued to it by the Agency. *Id.* The Board grants petitioner's motion for voluntary dismissal, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, John T. Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on February 16, 2012, by a vote of 5-0.
