HEARING OFFICER ORDER

At a telephonic status conference on February 9, 2012, the parties were directed to submit proposed discovery schedules within 21 days. On February 24, 2012, the complainant submitted its proposed discovery schedule. As of March 12, 2012, the respondents have not submitted proposed discovery schedules. To that end, the complainant's proposed discovery schedule is accepted to the extent as follows.

September 21, 2012, is the deadline for all parties to add other parties to the proceeding. Discovery closes on October 22, 2012, for all discovery including interrogatories, requests to admit, document requests and depositions. Any dispositive motions must be filed on or before December 21, 2012.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on April 12, 2012, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
