ORDER ALLOWING EXTENSION OF TIME (by Mr. Henss)

The Environmental Protection Agency has moved for an extension of sixty days to comply "or otherwise respond" to the Order entered on January 31, 1974. In that Order the Agency was granted forty days within which to file amendments to the Complaint or an Amended Complaint adding a respondent or additional respondents. A reading of the Motion persuades us that the request is reasonable and we will allow an additional sixty days for compliance.

It is Ordered that the Environmental Protection Agency be granted 100 days from the January 31, 1974 Order within which to file amendments to the Complaint or an Amended Complaint adding a respondent or additional respondents.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted this 21<sup>st</sup> day of March, 1974 by a vote of 5 to 0.
