CONCURRING OPINION (by D. Glosser and C. K. Zalewski):

We respectfully concur with the Board’s May 17, 2012 order which granted the People’s motion to stay additional proceedings in this action, as we believe that the Board need not revisit its September 8, 2011 decision in any respect.

We agree with the majority that grant of the People’s requested stay of additional proceedings is appropriate. We would hope that the majority will use the additional time to review the People’s pending motion for reconsideration of the March 1, 2012 order to conclude that Packaging’s original motion for reconsideration should have been denied in all respects for the reasons explained in our March 1, 2012 dissenting opinion.

Accordingly, for these reasons, we respectfully concur.

Deanna Glosser

Carrie K. Zalewski
