ORDER OF THE BOARD (by Mr. Dumelle):

Motion for Extension of Time filed August 27, 1974 asks for an extension until September 30, 1974 to file a compliance program and project completion schedule. This would be further extension to that granted by this Board on August 1, 1974 until August 30, 1974.

The petitioner alleges that the strike is continuing and the same circumstances apply as in granting the previous extension and that the Agency has no objection to the new extension.

The compliance program and project completion schedule shall be filed by September 30, 1974 with both the Board and the Agency.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 5th day of September, 1974 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
