**HEARING OFFICER ORDER**

On July 12, 2012, all parties participated in a telephonic status conference with the hearing officer. The parties state that discovery is proceeding and that 2 new wells have been installed for purposes of sampling. The parties state that a site investigation report by the Illinois Environmental Protection Agency should be completed by August 17, 2012.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 13, 2012, at 10:15 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for their own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
