

Dear Illinois Pollution Control Board,

I OBJECT to Ameren's Petition for a Variance, Docket No. PCB 2012-126. Six years ago, Ameren cut a deal with the State of Illinois in the State's Mercury and Clean Air Interstate Rulemakings. Despite getting the benefit of that deal and many extra years to meet stringent mercury limits, Ameren now doesn't want to keep its promises under that deal.

The people of this State should not now have to suffer from years of extra pollution so that Ameren can continue to run old, dirty coal plants without modern pollution controls. Tell Ameren, "No variance!" Ameren needs to uphold its end of the bargain.

Sincerely,

I **OBJECT** to Ameren's Petition for a Variance, Docket No. PCB 2012-126. , Ameren cut a deal with the State of Illinois six years ago in the State's Mercury and Clean Air Interstate Rulemakings. Despite getting the benefit of that deal and many extra years to meet stringent mercury limits, **Ameren now doesn't want to keep its promises under that deal.**

Citizens of Illinois should not have to suffer from years of extra pollution so that Ameren can continue to run old, dirty coal plants without modern pollution controls. Tell Ameren, "No variance!" Ameren needs to uphold its end of the bargain.

Sincerely, *Judy Parriott*
