These tires were located in an over grown area toward the rear of the property as shown in photographs 9 through 13. - Some of the used tires had been moved to the front of the property for ease of access as shown in photographs 1 through 4. There were also several accumulations of general refuse as shown in photographs 5 and 6. Various old vehicles were also located around the property. The property is located between Kickapoo Creek and the railroad tracks in Pottstown.
