MOTION TO FILE REDUCED NUMBER OF ADMINISTRATIVE RECORD COPIES

NOW COMES the Respondent, the Illinois Environmental Protection Agency (“Illinois EPA”), by one of its attorneys, Scott B. Sievers, Assistant Counsel and Special Assistant Attorney General, and, pursuant to 35 Ill. Adm. Code 101.500 and 101.302(h), hereby respectfully requests that the Pollution Control Board (“Board”) allow the Illinois EPA to file one signed original version of the Administrative Record, one duplicate copy of the Administrative Record, and one electronic version on compact disc of the Administrative Record in this case. In support of this motion, the Illinois EPA states as follows:

1. 35 Ill. Adm. Code 101.302(h) requires that a signed original version and four duplicate copies of the Administrative Record of LUST decision appeals be filed with the Board.
2. The Administrative Record in this case consists of 1,653 pages of documents.
3. Because of the length of the Administrative Record in this matter, the Illinois EPA is filing a signed original version of the Administrative Record, a duplicate copy of the Administrative Record, and one electronic version on compact disc of the Administrative Record with the Board. Petitioner’s counsel was sent an electronic version on compact disc of the Administrative Record.

4. Due to the length of the Administrative Record in this matter and the fact that both a duplicate copy and an electronic version of the Administrative Record have been provided to the Board, the Illinois EPA requests that it not be required to file the additional three duplicate copies of the Administrative Record envisioned by 35 Ill. Adm. Code 101.302(h).

For the reasons stated herein, the Illinois EPA respectfully requests that the Board allow the Illinois EPA to file only one duplicate copy of the Administrative Record in this case.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,

Respondent
