HEARING OFFICER ORDER

On September 6, 2012, a telephonic status conference was held. Respondent Cioni Excavating, Inc., did not appear. The parties reminded the hearing officer that there is a companion case proceeding in the state circuit court.

The petitioner submitted a proposed discovery schedule adjustment and is accepted to the extent as follows: deadline for all parties to add other parties to the proceeding to and including December 21, 2012; discovery, including document requests, interrogatories, requests to admit, depositions and subpoenas, closes on January 25, 2013; (discovery schedule may have to be revisited if parties are added); deadline for summary judgment or other dispositive motions must be filed on or before March 25, 2013.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on November 8, 2012, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
