ILLINOIS POLLUTION CONTROL BOARD June 13, 1975

VILLAGE OF POTOMAC, Petitioner,))	
v.))	PCB 75-237
ENVIRONMENTAL PROTECTION AGENCY, Respondent.))	

INTERIM ORDER OF THE BOARD (by Mr. Goodman):

This matter comes before the Pollution Control Board (Board) upon the Village of Potomac's (Potomac) June 11, 1975, petition for a variance from the Rules and Regulations governing Water Pollution.

The Board finds the variance petition as submitted to be insufficient. The petition fails to specify the rules from which a variance is sought. In addition, the petition does not contain an adequate compliance plan, nor were the exhibits, referred to in the petition, attached to the petition.

In consideration of the foregoing it is the order of the Board that Potomac file an amended petition within forty-five days of this order. Said amended petition shall contain a statement of the specific rules from which a variance is sought; the exhibits referred to in the petition; and a compliance plan. The ninety-day decision rule shall run from the date of filing of said amended petition. Failure of Potomac to file an amended petition within the time limits set forth herein, shall cause this variance action to be dismissed without prejudice.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution
Control Board, hereby certify the above Order was adopted on
the 3th day of 1975, by a vote of
