ORDER OF THE BOARD (BY SAMUEL T. LAWTON, JR.)

Hearing is ordered on the petition. Within ten days from the date hereof, petitioner shall advise the Board why a variance is requested and whether the Grove Avenue sewer has been declared overloaded by the Environmental Protection Agency thereby preventing connection. If such is not the case, then petitioner would be entitled to request a sewer permit in accordance with the comprehensive variance heretofore entered by the Board with respect to the North Shore Sanitary District Waukegan Plant and the case will be dismissed as moot.
