**HEARING OFFICER ORDER**

On November 7, 2012, all parties participated in a telephonic status conference with the hearing officer. Discussions centered on petitioner being unable to locate certain documents that are presumably part of the record but were not filed with the record. Respondent stated that it will search for the alleged missing documents.

Pre-hearing motions, including motions *in limine*, are due to be filed on or before November 21, 2012. Responses due to be filed on or before 2:00 p.m. on November 26, 2012.

The parties or their legal representatives are directed to participate in a telephonic pre-hearing conference with the hearing officer on November 20, 2012. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
