HEARING OFFICER ORDER

On January 10, 2013, all parties participated in a telephonic status conference. The petitioner stated that generally it is making progress in its attempt to secure access agreements to adjacent and alternative properties to test the site at issue. One access agreement has been achieved and the wells will be installed shortly.

To that end, discovery pursuant to the discovery schedule may proceed at the parties' option. The discovery schedule will be revisited at the next status conference if needed.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including June 6, 2013.

The parties or their legal representatives are reminded and directed to appear at a telephonic status conference with the hearing officer on March 14, 2013, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
