ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon a December 1, 1989 filing by the Scott Air Force Base (Petitioner). Petitioner requests an extension of its variance from December 31, 1989 to February, 1990. On December 6, 1989, the Board adopted an Order requesting a response to this motion from the Illinois Environmental Protection Agency (Agency). The Agency responded December 14, 1989. The Agency states that it has no objection to the extension of variance in the case to February 28, 1990.

The Board hereby grants Petitioner's request. The variance is extended until February 28, 1990.

The Scott Air Force Base is hereby granted an extension of variance from the effluent standards of 35 Ill. Adm. Code 304.120(c), 304.121, and 304.141(a) for its wastewater treatment plant in St. Clair County, Illinois subject to the following conditions:

- A. Variance shall expire on February 28, 1990 or upon completion of construction, whichever occurs first.
- B. Scott Air Force Base shall meet the following effluent limits during the term of the Variance.
  1. When daily and/or monthly average flows are greater than 2.0 MGD.
    - a. BOD concentration = 20 mg/l monthly average and 30 mg/l.
    - b. BOD quantity = 215 lbs/d monthly average and 600 lbs/d daily maximum.
    - c. TSS concentration = 20 mg/l monthly average and 35 mg/l daily maximum.

- d. TSS quantity = 350 lbs/d monthly average and 650 lbs/d daily maximum.
- 2. When daily and/or monthly average flows are less than or equal to 2.0 MGD, Scott Air Force Base shall meet the limits in its NPDES permit.
- C. All flows in excess of 2.0 MGD, at the minimum, shall receive primary treatment and chlorination.
- D. Scott Air Force Base shall sample its effluent each day when flows exceed 2.0 MGD. The effluent samples shall be analyzed for parameters listed in Scott Air Force Base's NPDES permit.
- E. Scott Air Force Base shall summarize all samples taken and submit them, along with plant flow data, with its monthly Discharge Monitoring Report (DMR).
- F. Scott Air Force Base shall report to the Agency's Collinsville Regional Office by telephone when repair work is beginning and completed. A written confirmation of the notification shall be sent to the following address within five (5) days:
  - Illinois Environmental Protection Agency
  - Division of Water Pollution Control
  - Compliance Assurance Section
  - 2200 Churchill Road
  - Post Office Box 19276
  - Springfield, IL 62794-9276
- G. Scott Air Force Base shall execute and submit a Certificate of Acceptance to the address shown above within forty-five (45) days.

This variance shall be void if Petitioner fails to execute and forward the certification within the forty-five day period. The forty-five day period shall be held in abeyance during any period that this matter is being appealed. The form of said Certification shall be as follows:
