RE: PCB 2013-024

Mr. Therriault

Vote no on the variance request by Midwest Generation. Otherwise, it smells too bad - literally and politically..

Sincerely,

Robert Gustafson
534 W Stratford Pl

RE: PCB 2013-024

Mr. Therriault

Midwest Generation's dirty coal plants in Illinois have been dumping dangerous sulfur dioxide emissions into the air and making local residents sick for far too long. In order to reduce dangerous pollution and save lives in Illinois, I demand that you to require the company to meet the pollution reductions it previously agreed to by voting no on the requested variance.

Sincerely,

Leslie korshak
