VILLAGE OF POR	RT BYRON		)	

ORDER OF THE BOARD (BY SAMUEL T. LAWTON, JR.):

On October 24, 1972, we entered an order directing the Village to immediately cease and desist dumping of all garbage, refuse and trash at its landfill site, to take necessary steps to adequately police the site to prevent future open dumping and to provide final cover within 45 days of the receipt of the order.

On December 14, 1972, we received a communication on behalf of the Village stating that the Village had complied with the Order but that "the Village was left with this open area and feels that it would be to the benefit of the Village if it were filled and perhaps used for recreational purposes". Allowance is sought to dump inorganic material one-half day per week. It is difficult to tell from the communication what provisions of the Regulations petitioner seeks to have varied.

We have no objection to the dumping providing it does not violate any applicable regulations and that the Village obtain the necessary permits from the Environmental Protection Agency consistent with the type of dumping proposed.

IT IS SO ORDERED.

I, Christan Moffett, Clerk of the Illinois Pollution Control Board, certify that the above Order was adopted on the / day of March, 1973, by a vote of \_ to \_ .
