**HEARING OFFICER ORDER**

On February 26, 2013, all parties participated in a telephonic status conference with the hearing officer. The complainant and the remaining respondent, Reliable Materials Lyons, LLC (Reliable), stated that they have continue to exchange draft language for incorporation in the stipulation and proposal for settlement (stipulation). It was agreed that Reliable's answer or other pleading is now due to be filed on or before May 17, 2013, if necessary.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on April 18, 2013, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
