HEARING OFFICER ORDER

On March 21, 2013, all parties participated in a telephonic status conference with the hearing officer. The complainant stated and the docket sheet reflects that it filed a motion for leave to file first amended complaint. The amended complaint is attached to the motion as Exhibit A.

The complainant and the respondent stated that should the Board grant the complainant's motion, the briefing schedule summarized in the February 7, 2013, hearing officer order would be moot. The respondent further stated that should the Board grant complainant's motion, it is likely to file a renewed motion to dismiss to address the first amended complaint.

The parties or their legal representatives are directed to participate in a telephonic pre-hearing conference with the hearing officer on April 11, 2013, at 9:45 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
