HEARING OFFICER ORDER

On April 11, 2013, a telephonic status conference was held. Respondent's bankruptcy trustee called and left a voice mail subsequent to the telephonic status call. The hearing officer returned her call and suggested she call the complainant for information regarding the procedural status of the case.

The complainant stated that it anticipates that it will file a motion for leave to file a second amended complaint adding an additional four respondents within the next 60 days. Further, the complainant stated that it will file a motion to withdraw the first amended complaint on or before May 2, 2013.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on June 27, 2013, at 9:00 a.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter.
