

ILLINOIS POLLUTION CONTROL BOARD  
September 6, 1972

FIRST NATIONAL BANK OF SPRINGFIELD,  
as trustee of Trust #3005

v.

ENVIRONMENTAL PROTECTION AGENCY

PCB 72-365

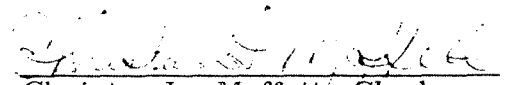

Interim Opinion and Order (by Mr. Dumelle)

This is a petition for variance to allow sewer connections from a new 36-unit apartment building. The petition alleges that the Environmental Protection Agency has announced that it will not issue sewer connection permits for any additional projects in the City of Springfield. It is unclear from the petition, however, as to whether it is inadequate sewers or inadequate treatment facilities which underlies the ban.

We will allow the petitioner five days from receipt of this order in which to clarify the ambiguity. The clarification may be submitted to the Board as an addendum to the original petition.

It is so ordered.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Interim Opinion and Order was adopted on the 6<sup>th</sup> day of September, 1972 by a vote of 4-0.

  
Christan L. Moffett, Clerk
