ILLINOIS POLLUTION CONTROL BOARD

NOTICE OF PUBLIC HEARING

The Illinois Pollution Control Board gives notice of public hearings regarding rule changes proposed by the Illinois Environmental Protection Agency in Vapor Recovery Rules Amendments to 35 Ill. Adm. Code Parts 201, 216, and 219, docket R13-18. If the Board adopts the rule changes, the Illinois Environmental Protection Agency will submit them to the United States Environmental Protection Agency as proposed revisions to the Illinois State Implementation Plan (SIP) for ozone control. However, any changes to 35 Ill. Adm. Code 201.210 would not be part of the SIP revision submittal. The SIP contains Illinois' requirements to attain and maintain National Ambient Air Quality Standards to protect public health and the environment under the federal Clean Air Act and state Environmental Protection Act. The proposed revisions include (1), in the Chicago ozone nonattainment area, phasing out the requirement for gasoline dispensing operations to install, maintain, and operate Stage II vapor recovery systems and requiring system decommissioning; (2) addressing State permitting exemptions for Stage II gasoline dispensing operations and Stage I storage tank filling operations at gasoline dispensing operations; and (3) repealing the unnecessary Stage I registration provisions. Interested persons are invited to attend the hearings and/or to submit written comments. The first hearing will be held on Wednesday, May 8, 2013, at 11:00 a.m. at the Illinois Pollution Control Board, IPCB Conference Room 1244, 1021 N. Grand Ave. East, North Entrance, Springfield, IL. A second hearing will be held on June 5, 2013, at 1:00 pm at the Michael A. Blandis Building, 160 North LaSalle St., Room N-505, Chicago, IL. The hearings are subject to cancellation without notice and may be confirmed by calling the Office of the Clerk at 312/614-3461. A copy of the IEPA proposal and the Board's Orders in docket R13-18 are available for public inspection on the Board's website at http://www.ipcb.state.il.us/ and at the Clerk's Office, IPCB, 100 West Randolph St., Chicago, IL 60601. The IEPA proposal is also available for public inspection at the Peou Public Library, 1409 11th Street, Peou, Illinois. Written public comments will be considered by the Board if submitted to the Clerk's Office at the address above or electronically through "COOL" on the Board's website and received or U.S. Mail-postmarked by July 15, 2013.
