 ENVIRONMENTAL PROTECTION AGENCY)

OPINION AND ORDER OF THE BOARD (BY SAMUEL T. LAWTON, JR.):

Petition was filed by Elsa J. Miller requesting variance of our Order in League of Women Voters v. North Shore Sanitary District, ##70-7, 12, 13 and 14, 1 PCB 369, to enable connection of her property to facilities tributary to the Clavey Road sewage treatment plant, based upon the inadequacy of her septic system.

We have granted variances under comparable conditions upon a showing that the condition cannot be remedied by a reasonable expenditure and a statement by the Lake County Health Department as to the condition of the septic field. Petitioner shall obtain the foregoing information and make submission to the Board within 15 days from the date hereof.

The Board will enter such further orders upon receipt of the above information as is appropriate.

I, Christan Moffett, Clerk of the Illinois Pollution Control Board, certify that the above Order was adopted on the ____ day of March, 1973, by a vote of ____ to ____.
