)

ORDER OF THE BOARD (by Mr. Marder)

Petition for variance filed by the Brearley Company is inadequate in that it does not contain mention of the Rule or Regulation from which the variance is requested. Petitioner has also failed to show any reason for the unavailability of exempt solvents, or to inform the Board of efforts to obtain exempt solvents. A completion plan to bring the facility in question into compliance is also required. The Petition also lacks emission data or information on impact on the environment.

Petitioner shall file an amended petition detailing the information mentioned above, within 35 days of the entry of this Order.

Failure to file such amended petition shall result in dismissal for inadequacy.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, certify that the above Order was adopted by the Board on the 8th day of August, 1974, by a vote of 4 to 0.
