HEARING OFFICER ORDER

On April 25, 2017, all parties participated in a telephonic status conference with the hearing officer. Discussions centered on the Illinois Department of Transportation's (IDOT) recently filed motion to compel (motion). Johns Manville (JM) has until May 9, 2017, to file its response but counsel for JM stated that it may be filed earlier. Over objection, IDOT was given leave to file its reply no later than seven days after JM's filing. Based on the parties' comments, some of the issues within the motion may be moot.

Due to the filing of the motion, it will be necessary to revisit the agreed upon discovery schedule at the next status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 25, 2017, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance.

IT IS SO ORDERED.
