ORDER OF THE BOARD (by G.M. Keenan):

On March 23, 2017, at the parties' request, the Board extended until June 1, 2017, the time period for The Clean Machine, Inc. to appeal a January 24, 2017 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2016); 35 Ill. Adm. Code 105.406. The determination concerns The Clean Machine's underground storage tank (UST) site located at 4311 North Belt West in Belleville, St. Clair County. The Agency conditionally approved The Clean Machine's site investigation completion report with the Agency's modifications and modified The Clean Machine's actual costs budget for Stages 1, 2, and 3 of the leaking underground storage tank site investigation. Because The Clean Machine failed to timely file an appeal, the Board dismisses this case and closes the docket.

IT IS SO ORDERED.

I, Lynn Hedges, Acting Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on June 22, 2017, by a vote of 5-0.

Lynn Hedges, Acting Clerk
Illinois Pollution Control Board
