HEARING OFFICER ORDER

On June 26, 2017, the parties participated in a telephone status conference with the hearing officer. This case is related to another enforcement action involving the Illinois Department of Natural Resources. In that matter, the People expect to send respondent a proposed consent order within the next two weeks. The parties hope that the consent order will lead to a global settlement agreement for the issues at hand.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:00 a.m. on August 29, 2017. The status conference shall be initiated by the People.

The parties have authorized electronic service.
