**HEARING OFFICER ORDER**

On July 6, 2017, all parties participated in a telephonic status conference with the hearing officer. The complainant's attorney stated that he forwarded the settlement documents to his client for review. As reported in my last order, counsel for complainant has been unable to contact his client to discuss the proposed settlement documents. He will again try to reach his client prior to the next status conference.

To that end, any deadlines for answering the request to admit or responding to the outstanding motions, including responding to respondent's motions for clarification and reconsideration filed August 24 and 25, 2016, are stayed.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 20, 2017, at 1:00 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing

IT IS SO ORDERED.
