HEARING OFFICER ORDER

On July 11, 2017, all parties participated in a telephonic status conference with the hearing officer. Congress Development Company (CDC) stated that it has been in discussions with the Illinois Environmental Protection Agency (Agency) in regard to additional changes to the recently denied permit. CDC stated that the Agency is now discussing internally whether or not the changes to the permit that were discussed can move forward.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including December 21, 2017.

The parties or their legal representatives are reminded and directed to appear at a telephonic status conference with the hearing officer on September 7, 2017, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
