HEARING OFFICER ORDER

On July 20, 2017, all parties participated in a telephonic status conference with the hearing officer. The complainant's attorney stated that he forwarded the settlement documents to his client for review. As reported in my last order, counsel for complainant has been unable to contact his client to discuss the proposed settlement documents. Complainant's attorney, however, e-mailed me and respondent after the conference call and stated that his client just contacted him and a that a settlement document will be executed soon and a motion to dismiss will be filed.

To that end, any deadlines for answering the request to admit or responding to the outstanding motions, including responding to respondent's motions for clarification and reconsideration filed August 24 and 25, 2016, are stayed.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 28, 2017, at 1:30 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, complainant files a motion to dismiss, the conference call will be cancelled without further notice.

IT IS SO ORDERED.
