

ILLINOIS POLLUTION CONTROL BOARD

July 26, 2017

IN THE MATTER OF:)
)
PERMIT BY RULE FOR) R17-9
BOILERS:) (Rulemaking - Air)
AMENDMENTS TO: 35)
ILL. ADM. CODE PARTS)
201 AND 211.)

ORDER OF THE BOARD (by G.M. Keenan):

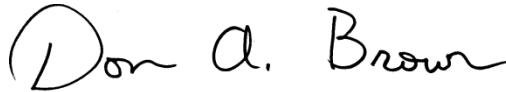

On March 23, 2017, the Board adopted final amendments to its rules on air pollution, 35 Ill. Adm. Code 201, 211. The full text of the amendments was located in an addendum to that order. See Permit by Rule for Boilers: Amendments to: 35 Ill. Adm. Code Parts 201 and 211, R17-9 (Mar. 23, 2017) (Addendum). In that addendum, under Section 201.600(a)(2), the Board incorrectly listed a unit of measurement as “lb/ MMBtu/hr.” Addendum at 23. Instead of listing this unit of measurement, the addendum should have listed “lb/MMBtu.”

After considering this error, the Board modifies the addendum *nunc pro tunc*, as indicated in the corrected addendum dated March 23, 2017 accompanying this order.

The rule text published in the *Illinois Register* on April 7, 2017 does not contain this error.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on July 26, 2017, by a vote of 5-0.

Don A. Brown, Clerk
Illinois Pollution Control Board
