HEARING OFFICER ORDER

On October 16 and 18, 2017, all parties participated in a telephonic status conference with the hearing officer. On October 18, 2017, the parties were informed that I was contacted by the Kindling Group and that they expressed interest in filming the hearing for a documentary. I informed the parties that pursuant to Section 101.606 of the Board's procedural rules, audio or video recording is allowed if it is not disruptive or detrimental to proper development of the record. The parties took it under advisement.

The parties stated that they continue to work together regarding the order of the witnesses and removing any potential exhibits that are duplicative or repetitious.

The parties or their legal representatives were reminded that the hearing in the above-captioned matter is to begin on October 23, 2017 and continue as necessary to October 27, 2017, in Room 9-40 at the James R. Thompson Center, not Room 9-34 as stated in the notice of hearing. Signage will be posted by Room 9-34 and the Board's offices informing all to the change of rooms.

IT IS SO ORDERED.
