HEARING OFFICER ORDER

On November 14, 2017, all parties participated in a telephonic status conference with the hearing officer. Complainant stated that she has forwarded additional information to counsel for respondent and that she will attempt to secure and forward additional information in an attempt to settle this matter without the necessity of a hearing.

To that end, any deadlines for answering the request to admit or responding to the outstanding motions, including responding to respondent's motions for clarification and reconsideration filed August 24 and 25, 2016, are stayed.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 13, 2017, at 1:30 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
